MISSIONS SEARCH CENTRE

The Missions Search 2010 is a comprehensive survey completed by the Exhibitors to give additional information about where they work and the various aspects of their ministry. Please pick up a copy of the Missions Search at either entrance or at the Info Centre in the Exhibit Hall. You can also do a computer-search at the East Feature Area in the Exhibit Hall, for the areas of missions in which you are interested. Then print out a list of the organizations that match your search.

YAHERO

YAHERO is a state-of-the-art online game, putting the Bible in a format that kids already love and understand. It is the first ever MMOG presented from a Biblical worldview.

YAHERO will allow children to apply the Bible's message to their daily lives in a fun and interactive environment.

This ground-breaking initiative launches in February 2010 and will bring the Bible to life in a new and exciting way for children aged 8 -11.

Be apart of the debut of the game in the East Feature Area of the Exhibit Hall.
