## D.R.O.P. Jordan - Container #2

We are most grateful to everyone who participated in sending the second container. We couldn't have done it without you. Thank you to the many individuals, families and groups who donated clothing, blankets and shoes; the organizations that provided medical equipment and supplies; the individuals who sorted and packed every item, and the team who packed the container.

Special thanks to: Precision Sound for giving us space in their warehouse and for accepting donations on our behalf for the last twelve months; Randy at K-Bro for the skids of medical linens, and Matt for arranging the shipping of the container.

God bless each and every one of you for all of your help and for demonstrating the love and compassion of our Lord Jesus Christ as we reach out to the poor and needy in His Name.
