WINDOWS ON THE WORLD

Since our theme for 2012 is *"The World is My Neighbor,"* we will be focusing on this theme in assemblies through *"Windows On The World."*

When we look at the diversity of cultures in our neighborhoods, we see just how the world has come to us. With technology and abilities to travel, access to the world is much closer now than it has ever been.

In the articles of the magazine, you will find current reports and stories that give you a glimpse of what God is doing both in Canada and around the world. In the assemblies we will focus on what God is doing world-wide; there will be live reports, video clips, and news reports as we *Pray For The Nations*. Because of the security issues of some of our participants, we cannot list with whom, or when, we will be connecting.

You won't want to miss any of the assemblies. *Come expecting the unexpected!*
