God has uniquely equipped you for the roads to which He has called you, through your personality, gifts, talents, abilities, and available resources. Your roads are a means to demonstrate His love to your neighbor, whether they live across the street or across the globe. <i>As a wild youth, Danny was radically saved when he met Christ at 17. While on the run in a stolen car, he stumbled upon a book that introduced him to the Savior. He has never been the same. Since then his journey through ministry inspires people to be passionate about Christ and the call to build His kingdom. (see complete bio on the MFA Website)</i>

We have listened to his message “Living Passionately” many times over the years. His life theme is “Religion No, Jesus Yes”. Floyd’s simple definition for discipleship: it is helping another person love and obey Jesus. You will be challenged as you hear Floyd share stories about some of the places he has been to and the people he has met, and how the Lord has led him to tell them “Jesus Loves” them. <i>Join us at Missions Cinema as we watch “Living Passionately:” you won’t want to miss it!</i>

In 2007, Kevin and Julia moved to the Chinese border city of Dandong on the Chinese-North Korean border and started Peter’s Coffee House. On August 4, 2014, they were “arrested” by the Chinese Ministry of State Security (MSS)—the FBI of China—and charged with spying and espionage. They spent the next six months in isolation being interrogated by three investigators for up to six hours a day. Then Kevin spent the next 19+ months in a prison with 900 other inmates while Julia was placed in “quasi house arrest” on bail, pending trial. Julia was released in August 2016 and Kevin, after being pronounced guilty of spying and espionage, was deported on September 15, 2016— because of the prayers of many thousands around the world. Were they spies? Come and hear their amazing story of God’s faithfulness and deliverance. (see bio on MFA Website)</i>
