- 9:20 a.m. **Session 1 "Embracing God's Invitation to Adventure"** Donna Mitchell
Does fear hold you back? Is insecurity stealing your freedom? Do your circumstances push you to the sidelines? Discover how to step past the obstacles and rely on the Holy Spirit to share God's love. When we risk together by stepping out in faith to effectively reach people in our world, we come to life! Embrace God's invitation to a life-transforming faith adventure and help reach your world.
- 10:20 a.m. **Panel Discussion "Women in Missions" "How can God use me to build His Kingdom on earth?"** This panel discussion will introduce you to several women whose varied ministries span the globe, bringing hope and healing to hurting lives. You'll be encouraged as they speak of the challenges they've overcome, the lessons they've learned along the way, and their secrets to effective ministry. Members of the panel are: Grace Fox, International Messengers Canada; Cathy Humeniuk, Maranatha Evangelistic Association; Joy Loewen, Arab World Ministries; Lorraine Myrholm, Stonecroft Ministries; Helen Smith, Blessing the Widows (Marketplace Mission Society); and Joanne Wells, Edmonton Dream Centre.

- 2:15 p.m. **Session 2 "The Plight of the World's Women: You Can Make a Difference"**
Grace Fox - Cultures and circumstances vary for women around the world. Many struggle with similar issues, but some face challenges that nearly defy the imagination. What are those challenges and issues? And how can we make a difference in the lives of these women?

Jane Smith has followed an interesting call from God to serve in northeast Asia. She has been an English instructor in several countries and been involved in humanitarian work.

Donna Mitchell, as a young adult, was challenged to follow Jesus for three weeks to see what would happen - transformation! She then prepared for full-time ministry. Donna has served as Pastor of Women's Ministries and is now the Director of Connecting Streams Women's Ministry (Power to Change, Canada), calling women to follow Jesus, helping them to take steps to share His love.

Grace Fox is the national co-director of International Messengers Canada. She's a former missionary to Nepal, and a popular speaker at women's conferences in North America. Grace is the author of four books including *Moving From Fear to Freedom: A Woman's Guide to Peace in Every Situation*.

Terrell Edwards has written songs and performed on countless stages in North America and abroad with the hope of delivering one consistent message...Jesus came so we may have life, and have it more abundantly! Terrell and his wife Barb have 7 children, and are co-founders of the Reach Missions Foundation.

Dawn Magee received her diploma in business administration, specializing in sales and marketing. A free-lance motivational and inspirational speaker, she is also a business and life coach. Dawn holds a retreat for mothers and daughters called, "The Right to Wear White," teaching them how to guard the gift of purity for marriage. She and her husband Terry facilitate the Christ Centered Professionals Club.

Len Nation currently serves as the Mobilization Director for TEAM of Canada, a mission agency whose purpose is to "help churches send missionaries to establish reproducing churches among the nations for the glory of God." Len is a passionate, Bible-focused communicator and teacher. He has served as a pastor, Bible college teacher, missionary and motivational speaker.

Mohan Maharaj is president of the Edmonton-based Aspire Group International Realty, real-estate and management specialists. He was born into a prominent East Indian Hindu family in Trinidad. After making the costly decision to follow Jesus Christ, his clothes were burned and his family conducted a funeral service, forever denying his existence. Mohan knew that God had called him into Christian service. Through the leading of the Lord, he arrived in Edmonton where he attended Bible College, completed a B.A. degree in psychology and counseling and became a successful businessman. As an ordained minister of the Gospel, Mohan has conducted evangelistic crusades in over 40 countries. His compelling testimony has been used to bring thousands to know Christ as their Savior.
