“Igloos, Voodoo and Everything in Between”

Global Youth Missions

Have you ever considered shivering with polar bears in the Arctic; trekking through the land of Buddha, temples and genocides; or walking in the dark streets and alleyways of East Hastings, Vancouver; or even hopping over to countries filled with pubs, fashion, and historic cathedrals? You and your friends will get the exciting chance to engage in each of these places, with their people and their needs. Take a risk and allow these characters to both take your breath away and ignite a fire in your soul.
