

SPONSORING CHURCHES

Missions Fest Alberta operates through evangelical churches who promote the conference in the following ways: keeping their church calendar as clear as possible to enable the congregation to attend; appointing an official representative (maximum of 2 per church) to help in the planning and in the recruiting of volunteers; and making an annual financial donation to support conference preparations.

We praise God for those who obey Christ's mandate to preach the Gospel to all nations and to make disciples.

THANK YOU to the following sponsoring churches:
